### Description

The DSW series wraparound pairs economy styling with energy-efficient performance, delivering 130 lumens per watt. The luminaire's characteristic clean, low-profile design is both appealing and practically functional. This unit utilizes a clear, extruded acrylic refractor and a heavy gauge steel end plate with embossed light seal for dependable performance and good looks. The DSW wraparound is perfect for commercial spaces, school dormitories, offices and retail areas.

### Features

- Die formed heavy gauge steel with side flanges for extra uniformity and rigidity.
- Driver cover snaps into housing to cover ballast and wires.
- Fixture ends are die-formed for rigidity.
- Post painted powder coated white finish.
- Diffuser is designed for one-piece .125" thick prismatic lenses.
- Snap on diffusers for easy servicing and hinge from either side.
- UL listed for damp locations.
- 80+ CRI for crisp, accurate color rendering.
